

WINDOM CONNECTS BUSINESS

Transportation – Windom is located along Minnesota Highway 60, a 4-lane connection between Minneapolis – St. Paul, Minnesota and Omaha, Nebraska. This location offers excellent shipping routes and connectivity to national shipping networks.

High Speed Internet – Windom is located along the information highway. Numerous fiber networks run through Windom. There are multiple Tier 2 carriers which provide fiber to the home or business.

Livability – Windom is located along the scenic Des Moines River and the west side of Cottonwood Lake. The community features a new community center, developed parks system, city swimming pool, and a beautiful downtown square with shopping, greenspace, and dining.
