6. Your Account is Set Up – Opens up to your Dashboard

The screenshot shows the patient dashboard on www.cctracker.com. The left sidebar contains navigation options: Dashboard (highlighted with a red circle), Blood Pressure, Search Volunteers And Providers, My Volunteers And Providers, Messages, Alerts, My Profile, Reminders, Resources, Help, and Signout. The main content area features the 'ADD A BLOOD PRESSURE READING' form with fields for Systolic or top number (mmHg), Diastolic or bottom number (mmHg), Heart Rate, Date (2016-12-05), Time (04:20 PM), Reading Source (Home), and a Comment field. A 'Save' button is at the bottom. To the right is a 'Weekly Blood Pressure Report Readings*' chart showing trends for Systolic, Diastolic, Systolic Hypertension, and Diastolic Hypertension from 28 Nov to 05 Dec.

7. Enter your first blood pressure reading from your Dashboard. You only need to enter the systolic (top number) and diastolic (bottom number), Date & Time auto complete based on when you open the Dashboard and can be edited as needed. Reading Source is optional and defaults to Home.

This close-up shows the 'ADD A BLOOD PRESSURE READING' form. The 'Systolic or top number (mmHg)' field contains '118' and the 'Diastolic or bottom number (mmHg)' field contains '79'. Both fields are circled in red. The 'Date' is '2016-12-05' and the 'Time' is '04:20 PM'. The 'Reading Source' is 'Home'. A red arrow points to the 'Save' button at the bottom.

8. Click “Save” and you will receive a green confirmation message that your blood pressure reading was added:

Blood Pressure reading added successfully. Keep up the good work!
