

Seasonal City Employment

—POOL AND RECREATION—

LIFEGUARD AND WATER SAFETY INSTRUCTORS— Water Safety or Lifeguard certification required. Lifeguard certification required within 30 days of hire.

—STREET & PARK DEPARTMENT—

THREE PART-TIME SEASONAL LABORERS— Duties include manual work in maintenance and repairs on streets and parks including ball fields throughout the City of Windom. The duration of the first seasonal position will run from mid-April to mid-August. These positions will require working weekdays, along with some evenings, weekends and holidays. Weather conditions and ball field schedules will vary work hours throughout the week. Weather conditions may also adjust the ending date of employment.

Minimum qualifications include a high school diploma, the ability to lift 40 pounds and a Class D or higher driver's license with a good driving record. The rate of pay for this position will be \$11.50/hour. The City of Windom reserves the right to revise the duration of the positions and may perform random drug and alcohol testing during the time of employment.

Applications will be accepted until positions are filled.
