

CITY OF WINDOM

2019 Summer Internship Program

The City of Windom is offering an opportunity for a Summer Internship Program. Work will include special projects with various departments of the City, minor administrative, retail, maintenance and mowing.

Minimum qualifications include a high school diploma and college course work related to finance, business or political science and a valid MN driver's license. If educational credits are sought, the position will require acknowledgement from a college or university pertaining to advancement of educational requirements of the intern.

The internship program will be up to 40 hours per week (could include occasional evening hours and/or Saturday mornings) for approximately 8-10 weeks during the months of June through August, 2019. Timeframe is flexible. Salary for this position is \$10.75 per hour.
